

COST Action CA16109 COLOSSAL

“Chemical On-Line cOmpoSition and Source Apportionment of fine aerosol”

Training School on ToF-ACSM

12-14 February 2018, Prague, Czech Republic

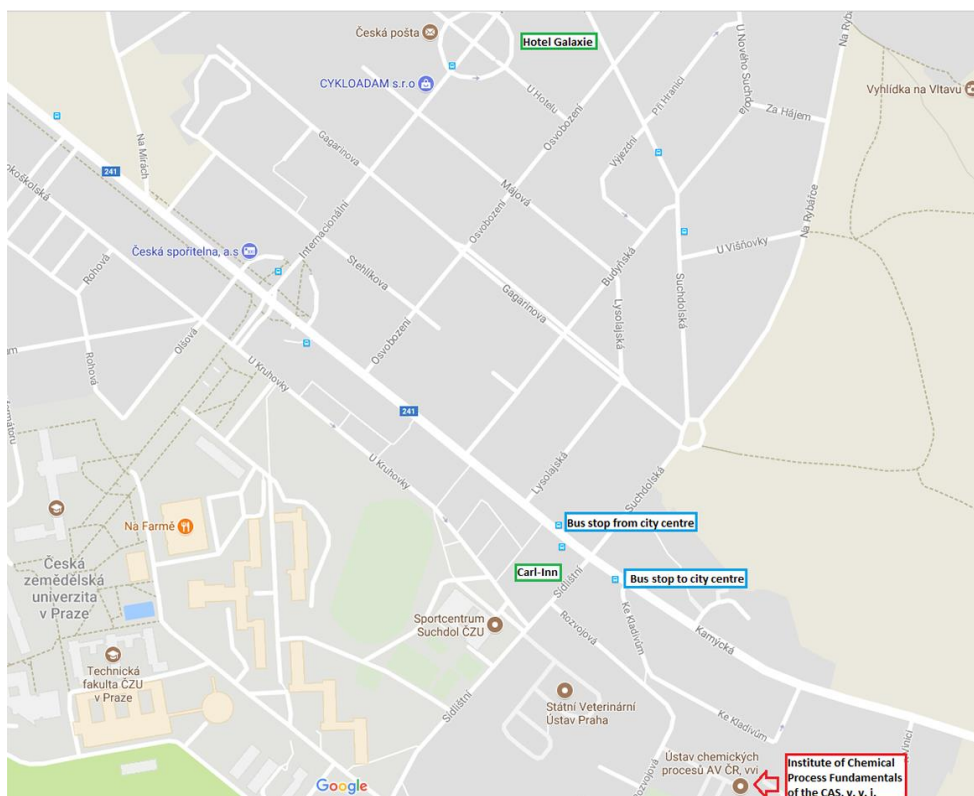

TRAINING SCHOOL VENUE:

Institute of Chemical Process Fundamentals of the CAS, v. v. i.

Rozvojova 2/135

CZ-165 02 Prague 6 – Suchbátov

Czech Republic

GETTING TO PRAGUE:

- By plane: the main airport is Václav Havel Airport Prague.
- By train: the main train station is Prague main railway station (abbreviation Praha hl.n.).

GETTING TO THE CITY FROM THE AIRPORT:

- **Bus** (recommended option): Bus number 119 connects the airport, either terminal 1 or terminal 2 and the underground station Nádraží Veleslavín (A green line, city centre line). The single 90 min ticket costs 32 CZK (about 1.30 EUR). The 119 line runs every 5-10 min. It takes about 20 min to the underground station Nádraží Veleslavín, from where you will be in 10-15 min in the city centre.
- **Taxi**: approximately 25-30 euros from the airport to the city center, around 35 min (depending on traffic).
- For further info you can check the urban transports company site or the journey planner
<http://www.dpp.cz/en/>
<https://jizdnirady.idnes.cz/praha/spojeni/>

GETTING TO THE CITY FROM THE MAIN RAILWAY STATION:

- The main railway station (Praha hlavní nádraží or Praha hl.n.) is situated in the city centre, underground and trams station Hlavní nádraží (C red line and lines 5, 8, 9, 15 and 26).
- For further info you can check the urban transports company site or the journey planner
<http://www.dpp.cz/en/>
<https://jizdnirady.idnes.cz/praha/spojeni/>

GETTING TO THE INSTITUTE OF CHEMICAL PROCESS FUNDAMENTALS (ICPF):

- The easiest way to reach ICPF is by the metro in combination with the bus. Metro stop: Dejvická (A green line), exit from the underground direction to Suchbátka (stairs from the platform and stair from the vestibule) and about 80 m walk to the bus stop line 107 and 147.
- The bus (line 107 and 147) runs every 5-10 min and the ride takes about 10 min to the stop Kamýcká.
- From the bus stop (Kamýcká) it is as about 5 min walk to the ICPF. First you will cross the main street (Kamýská street), follow the Sídlištní street and turn the first left (Rozvojová street). Your final destination is the Czech Academy of Sciences site (Rozvojová 2/135) ahead.
- For further info you can check the urban transports company site or the journey planner
<http://www.dpp.cz/en/>
<https://jizdnirady.idnes.cz/praha/spojeni/>

GETTING TO THE ICPF FROM THE AIRPORT:

- The easiest way to reach ICPF is by the bus number 119 to the underground station Nádraží Veleslavín (A green line), change to the metro (direction Hostivař) and go to metro stop Dejvická further info see the instructions above.

ADDITIONAL TRANSPORT INFO:

If you are planning to use public transport during you stay in Prague, you can buy the 24h ticket for 110 CZK (about 4 EUR) and/or 72h ticket for 310 CZK (about 12 EUR). These tickets are valid for the Prague city area (Zones P) including the metro, trams, Prague public transport buses (lines 100 – 299 and 901 – 915), the Petřín funicular, ferries and selected railway line sections.

The metro runs daily from 4:45 am to midnight.

You can find all the info on the public transport in Prague at <http://www.dpp.cz/en/>.

ACCOMMODATION:

ICPF is located in the NW suburb of the Prague city (Suchdol district), but easily reachable from Prague city centre. In the vicinity of the institute there are these two hotels:

- Carl Inn (5 min walking distance from the venue)

There is a limited number of rooms. You need to book your room at the hotel using the hotel e-mail address carl-inn@hotelprague.cz with the note “Workshop at Institute of Chemical Process Fundamentals of the CAS”.

<http://carl-inn.com/en/>

- Hotel Galaxie (15 min walking distance from the venue)

Also limited number of rooms. You need to book your room at the hotel using the hotel e-mail address info@hotelwienna.cz with the note “Workshop at Institute of Chemical Process Fundamentals of the CAS”.

<http://www.hotelgalaxie.cz/en>

However, for participants that like to be closer to the city center, there are plenty of accommodation facilities available through booking.com or other on-line services.

FINAL RECOMMENDATION:

Prague is NOT a dangerous city, but pick-pockets are common in the city center. Please take good care of your belongings during your entire stay!!
